Health and Beauty Hints

BY MRS. MAE MARTIN.

Mrs. O. L. You complain of brittle, faded hair. You will find that keeping the scalp clean and healthy is the most effective way to restore the natural beauty and softness, but in selecting your shampoo, avoid soaps or mixtures containing "free" alkali. By dissolving a teaspoonful carboxin in a cup hot water you will have a mild, soothing cleansing mixture that makes the head feel fine and removes all dust, dandruff and excess oil, leaving the scalp clean and plant and assuring a beautiful growth of long, lustrous, fluffy hair.

E. G. Nature never intended woman to have fuz on her cheek. Get from your drugist a small original package of delatone and mix a little of the powder and water. Apply the paste to the obnoxious hair and in 2 or 3 minutes rub off and the hairs will come with it. After the skin is washed and dried, it will be velvety and free from hair or blemish.

Katie: Yes, powder has ruined more complexions than it has helped and while you use it you can hope for nothing better than an imitation of a real complexion. Take my advice. Get from your drugist 4 ounces spumax and dissolve in half pint hot water or witch hazel, then add 2 teaspoonfuls glycerine and you will have an ideal yet inexpensive lotion, which means a part of the skin. Apply this spumax lotion sparingly and rub lightly for an instant and it will vanish, leaving the skin clear and soft. The daily use of this spumax lotion will rid the skin of that coarse, scaly, oily appearance and render the complexion divinely fair and beautiful.

Blaine: Yes, there is a harmless way to make your eyes sparkle, a way that will also strengthen and rid them of that dull ache and tired feeling you mention. Make and use the following eye tonic: Dissolve 1 ounce crystals in 1 pint clear water, then put 2 or 3 drops in each eye a few times daily. It is an excellent thing for granulated eyelids, to reduce inflammation and take out soreness.

He was a partner, who left the house but a short time before. Judge W. M. Taylor, of Pritchville, was notified and visited the scene of the crime. A search of the effects of the dead man showed that he had been quite prosperous but had spent most of his money. No relatives have been located. The body was brought to Douglas for burial.

In preparation for the coming of the Bibles aerie of Eagles and their friends to visit the Douglas aerie, the local lodges are making large purchases of food supplies. Five goats, five calves and two hogs will be barbecued at the hall park and served the visitors. Bibles and advice say that 1500 people will be here on the special train which has been secured.

A romance which began nine years ago in Connecticut, ended in this city when Miss Elizabeth Keefe, of New London, Conn., and J. L. Casey, of Bibles, were married at the Church of the Immaculate Conception by the Rev. Fr. Gheloff. The attendants were Mr. and Mrs. E. L. Hawes, of Bibles.

The Douglas public schools opened Monday, for enrollment of the pupils. If the anticipations of the faculty are realized, there will be more than 2000 children enrolled before the end of this week. Last year's first week enrollment was less than 1500.

How to Keep Face Young and Attractive

(National Hygienic Review.)

The way to ward off old age is not to fear it, not to allow one's self to be oppressed by the dread of advancing years. Use only legitimate preventives and avoid trying experiments and preparations not indorsed by physicians. An entire and very effective way to keep the complexion young-looking and beautiful is to apply ordinary mercurized wax at bedtime, using it like cream, washing it off in the morning. This gradually absorbs the withered, faded cuticle, which is replaced by the more youthful, pink-tinted under-skin. One ounce of this wax, to be had at any drug store, is enough to completely rejuvenate a worn-out complexion.

Crow's feet and other wrinkles, the first signs of advancing age, may be removed by a simple, harmless preparation made by dissolving an ounce of powdered saxolite in a half pint witch hazel. It is used as a face bath.
